Request for Certificate of Correction:

Consideration has been given to your request for the issuance of a certificate of correction for the above- identified patent under the provisions of Rule 1.322 or 1.323.

The error complained of in column 10, lines 40-41 cannot be corrected: per the examiner "the requested change appears to be the wrong occurrence of that phrase. The language appears in two locations in claim 36 (31) and the amendment dated 3/10 removed the 2nd occurrence on line 43 not the one on lines 40-41. The claim appears confusing with the removal of the 1st occurrence".

In view of the foregoing your request in this matter is hereby **denied**.

Future correspondence concerning this matter should be filed and directed to Decision & Certificate of Correction Branch.
